PRESS BRIEF

The 2021 world Rowing Indoor Championships is being held worldwide virtually, from various towns and cities in the world

A very unique event which has wired up ergometers from various corners of the world, by technology and software, provided by Time Team Regatta Systems for World Rowing

There are a total of 54 events of 2000 and 500 meter distance, comprising of men, women and para rowers of varying age category ranging from under 19, 23 to Masters 100 + age

In the races which concluded yesterday Indian Rowers made history

In the under 23 category India's Parminder Singh finished sixth in the world, turning out a time of 06:06.9, which is his personal best

This is First time, ever, INDIA is placed at 6th place in the World in a WORLD Rowing Indoor Championships

We are extremely proud of his Parminder Singh's achievements. He has been consistently performing well and we wish him a wonderful future ahead

Not to forget the young Mehul Krishnani Anand who finished 12th in this hard-fought race clocking a time of 06:31.4

Our best wishes to the young rowers
